

# Move Out Cleaning Checklist

## KITCHEN

DONE

- Clean inside of all cabinets & drawers
- Clean tops of cabinets and all cabinet & drawer fronts
- Wipe all counters and backsplashes.
- Clean all appliances, inside and out. Pay attention to cleaning gaskets, filters and under appliances.
- Wipe down walls and switch plates.
- Clean out light fixtures and replace bulbs, as needed.
- Wipe baseboards.
- Clean floor.

## BATHROOM

- Clean inside of all cabinets & drawers
- Clean tops of cabinets and all cabinet & drawer fronts
- Clean all counters and mirrors.
- Clean all fixtures: sinks, bathtubs, showers, toilets, etc. Use bleach to remove mildew and mold.
- Wipe down walls and switch plates.
- Clean out light fixtures and replace bulbs, as needed.
- Wipe baseboards.
- Clean floor.

## ROOMS

- Clean all walls and switch plates. Remember to clean out closets, too.
- Clean out light fixtures and replace bulbs, as needed.
- Clean all air vents and registers.
- Wipe baseboards.
- Clean floor.

## GARAGE

- Wipe down shelves, storage units and cabinets.
- Clean floors.
- Clean inside of trash cans that remain with the home.
- Locate garage door openers and change batteries, as needed.

## WINDOWS

- Clean all drapes and blinds that remain with the home.
- Clean all window screens.
- Wash all windows.
- Clean all window frames.
