

Craft Room Organizing

Task

Completed

Assess Your Craft Supplies

Gather all craft items in one spot.

Bring craft items from other areas to your collection spot.

Sort and group like items together.

Assess Your Space

Will everything you want fit in the space?

What should be stored somewhere else?

What will you need to make the space functional?

Craft Room Organizing

Task

Completed

Assess Your Space (con.)

Will everything you want fit in the space?

Draw a plan of how you will organize the space.

A large, empty light pink rectangular area intended for drawing a plan of how to organize the space.

Craft Room Organizing

Goal

Priority

What Are Your Goals?

Prioritize your goals after you write them all.

Craft Room Organizing

Task

Completed

Budgeting

What is your total budget?

What can you budget for in the future?

What can you DIY?

Brainstorm

Craft Room Organizing

Goal

Priority

What Do You Need to Start?

Brainstorm equipment, supplies, people and time that you'll need to organize your craft space.
